

# Campus Dining

## WELCOME TO A NEW YEAR!

Linn State Technical College has contracted with Great Western Dining Service, Inc. to provide dining services on our campus. As in the past, Linn State students will be required to purchase a meal plan as part of the requirement for residing on campus. The 14-Meal Plan is the mandatory meal plan for resident students and provides breakfast, lunch, and dinner served Monday-Thursday, and breakfast and lunch only on Friday with \$50 dollars in points to be spent in the Orbit Lounge. You may add more points any time you wish.

That's not the only change! Your meal plan offers value and variety and now provides *unlimited seconds* for meals served in the Main Stream and Orbit Lounge Cafés, and extra "dining dollars" in the way of points to use in the Orbit Lounge. In the middle of a unstable economy, spending money wisely is a top priority for college students and their parents. Tighter budgets and a heightened emphasis on high-quality, affordable meals comes to the forefront during challenging economic times like these. Great Western Dining is pleased to partner with Linn State to meet these needs for Linn State students, offering high-quality, expertly prepared meals at a great value along with a full slate of professional dining services for the entire campus. We never compromise on quality or taste. And, you'll save money when you purchase a meal plan because it's tax free--saving you 7.49% every time you use it.

We are dedicated to providing healthy and nutritious meals with a wide variety from which to choose. We're excited to be able to offer the 14-Meal Plan for your ease and convenience for dining on campus. With your meal plan, you will never have to worry about carrying cash or missing a meal all year long! With a meal plan, you will always enjoy a fresh, hot, delicious, and healthy meal, along with some extras just to make it fun—like Steak Night, Cookouts, Special Event Meals and more. We have an array of promotions planned that emphasize value and taste. In addition, we will offer nutritional information and advise on healthy eating options to those who are interested. Our focus is on foods that not only taste great, but are good for you too.

All the Linn State favorites will still be featured in the cafeteria and Orbit Lounge along with many new menu items. And, did we mention that you'll never leave the cafeteria hungry with unlimited seconds? An all-you-can-eat format lets you satisfy your hunger pangs at a great value. Look for additional planned changes in the future like an expanded soup and salad bar, more healthy choices, carved meats and more.

Commuter students will also be able to purchase either the 14-Meal Plan or a 5-Meal Plan. Menus will be posted well in advance so you'll always know when your favorites are being served.

Please give us a call with any questions. Nathan Bush, Food Service Director, phone 573-897-5106.
