

**AMEREN CALLAWAY PLANT SCHOLARSHIP PROGRAM  
LINN STATE TECHNICAL COLLEGE  
SCHOLARSHIP GUIDELINES**

### GENERAL DESCRIPTION

Ameren Callaway Plant will award five \$1,000 scholarships to second year students pursuing an Associate of Applied Science Degree in the Linn State Technical College Nuclear Technology program at the Advanced Technology Center, Mexico, Missouri. In addition to fulfilling scholarship criteria, consideration is based on availability of funds.

### ELIGIBILITY REQUIREMENTS

- A. Applicant should be enrolled as a full-time Nuclear Technology second year student (12 hours minimum per semester with the exception of the internship semester).
- B. Applicant should demonstrate financial need.
- C. Applicant should maintain a 3.0 cumulative GPA while enrolled at Linn State Technical College.
- D. Applicant must be a United States citizen or noncitizen national of the United States, or have been lawfully admitted to the United States for permanent residence.

### SELECTION AND AWARD OF SCHOLARSHIP

Selection Criteria. To be considered, applicants must forward a complete application packet by the scholarship application deadline. The criteria used to evaluate applications for award will be based equally upon the following:

- Financial need.
  - Academic achievement.
  - Ability to communicate clearly.
  - Willingness to work in the nuclear industry.
- B. Selection Priority. Scholarship is available to second year students. In addition to the designated recipients, alternates will also be selected. In the event a student is unable to fulfill the requirements of the scholarship, the award will be transferred to the next available alternate.
  - C. Scholarship Award. The scholarship provides a one-time \$1,000 award, which is paid directly to the recipient's account at Linn State Technical College in the fall semester, upon the student's verified enrollment, meeting scholarship criteria, and based upon available funds. The scholarship will apply toward the cost of tuition, fees, books, tools, and/or other costs associated with a student's education.
