

I REMEMBER WHEN:

"I remember being one of the first members of the student government for Linn State Technical College. I also remember it becoming a state college. The quonset hut really brings back memories. We had dances in there and it was a real mess when it rained. Linn Tech brings back so many memories for me! I really enjoyed my time at Linn Tech! The friends I made while there all still stick in my memory. I only wish we could have kept in contact."
